## DRAUGHTSMAN CIVIL

**Phone:** +91 7560830798

**Email:** saranyasatheesh2025@gmail.com

**Address:** palakkad ,kerala

---

### SUMMARY

Enthusiastic and detail-oriented Draughtsman Civil with strong knowledge of AutoCAD and civil drafting principles. Seeking an opportunity to work in a construction/engineering organization where I can utilize my technical skills in preparing accurate drawings and plans, while gaining practical exposure and professional growth.

---

### SKILLS

- **Drafting Tools:** AutoCAD (2D & basic 3D)
- **3D Visualization:** 3ds Max, V-Ray, Photoshop (basic editing)
- **Software:** MS Office (Word, Excel, PowerPoint)
- **Civil Knowledge:** Structural drawings, plan & elevation, section drawings, estimation basics
- **Other Skills:** Reading and interpreting construction drawings

---

### EDUCATIONAL QUALIFICATION

#### **Draughtman Civil | 2012-2014**

Government ITI [SCDD] Mangalam

#### **Higher Secondary in Commerce | 2010-2012**

GGVHSS Nemmara

#### **Secondary School | 2010**

LMHSS Mangalamdam

---

### WORK EXPERIENCE

#### **Thanal Design and Constructions | Feb 2024 - feb 2025**

- Assisted in preparing 2D CAD drawings and basic 3D models.
- Supported interior & exterior design visualization projects.
- Learned estimation and documentation under supervision.

---

### COURSE AND CERTIFICATIONS

#### **Diploma in Computer Application (DCA) software**

- MS Office (Word, Excel, PowerPoint)
- Internet & Email handling

#### **Interior & Exterior Visualization course**

- AutoCAD → Draft the 2D plan (floor layout, sections, elevations).
- 3ds Max → Import CAD drawing → Convert into 3D model (walls, roof, landscaping).
- V-Ray → Apply textures, materials, lighting, and rendering for a photo-realistic look.
- Photoshop → basic editing (color correction, add people/trees/sky).

---
